

EDIT - feature request #10021

Add concatenated label instead of "+" beside section label for collections

04/04/2022 08:42 PM - Andreas Müller

Status:	New	Start date:

Target version:	Unassigned CDM tickets		
Severity:	normal		

Description

Section labels for collections in details view and others do only show a "+" if data is available. Instead we could show a concatenated (but truncated) label of the elements of the collections.

We did this successful for DerivedUnit.status already ([#9939](#)).

But take care that this does not reduce performance.
