

EDIT - feature request #10062

Migrate TaxEditor word documentation to markdown

05/12/2022 10:28 PM - Andreas Müller

Status:	New	Start date:	
Priority:	Priority14	Due date:	
Assignee:	Katja Luther	% Done:	0%
Category:	taxeditor	Estimated time:	0:00 hour
Target version:	Release 5.45		
Severity:	normal		
Description			
Word documents Manual-EDIT-Platform-01-XXX.pdf, -02 and -03 should be fully migrated to markdown for testing if everything works as expected and what obstacles appear. (from meeting 2022-03-18, https://wiki.bgbm.org/bdinotes/index.php?title=BDI_33,#9994)			
Also decide on: "Walter reports that handling of the new documentation workflow is not as straight forward as hoped; we decided to evaluate the new workflow after having some more experience"			
Note: "kind of rule: all manuals having a pdf at Y:\BD\EDIT-Plattform_Latest Versions\User Manual are in a state that usually can be put online somehow"
