History

- #1 - 08/24/2022 02:15 PM - Katja Luther
  - Related to feature request #10096: Add new TaxonNode status and make notes field more general added
- #2 - 08/24/2022 02:17 PM - Katja Luther
  - Status changed from New to In Progress
  - Priority changed from New to Highest
- #3 - 08/24/2022 04:09 PM - Andreas Müller
  - Target version changed from Release 5.44 to Release 5.33
- #4 - 09/30/2022 12:51 PM - Katja Luther
  - Status changed from In Progress to Worksforme
  - Target version deleted (Release 5.33)

Could not reproduce it anymore, tested add status -> close -> ok

set note (status already existed) -> close -> ok

set note and status and close -> ok

I would put it to worksforme, if the problem appears again, we can reopen the ticket.
