

EDIT - bug #10185

Missing OccurrenceStatus Type creates NPE when creating DTO

11/17/2022 11:57 AM - Katja Luther

Status:	Duplicate	Start date:	
Priority:	New	Due date:	
Assignee:	Katja Luther	% Done:	0%
Category:	taxeditor	Estimated time:	0:00 hour
Target version:		Found in Version:	
Severity:	normal		
Description			
If the Occurrence Status of a specimen does not have a type, the creation of the dto yields to a NPE and nothing is shown in the dataportal.			
We should remove such a status and catch the NPE for already existing data.
