EDIT - feature request #10261

Avoid type designation type selection dialogue

03/04/2023 05:21 PM - Andreas Müller

Status:	Closed		**Start date:**	
Priority:	Highest		**Due date:**

Category:	cdm-vaadin		**Estimated time:**	0:00 hour
Target version:	Release 5.36			
Severity:	normal			

Description

The current selection dialogue for type designation types (name type designation or specimen type designation) is not necessary as the type designation type depends on the rank class. Names higher then species should use name type designations, others should use specimen type designations.

According to WHK there are very few exceptions. These can be handled with the workaround to change the rank of the name after adding the type.
