

EDIT - feature request #10291

Implement second publisher information for bibliographic reference formatting and other remaining issues

03/24/2023 02:34 PM - Belen Escobari

Status:	Closed	Start date:	
Priority:	Highest	Due date:	
Assignee:	Belen Escobari	% Done:	100%
Category:	cdmlib	Estimated time:	0:00 hour
Target version:	Release 5.37		
Severity:	normal		
Description			
Follow up from #10245			
Also fix: "Formatting of References when publisher or placed published are missing". This had to be reverted in #10245			
Also open: "According to the data model also journals and print series have a publisher. Can you please discuss with Norbert if this is correct? Are there cases when journals are cited with a publisher (place published). And do print series have a publisher/place published? Of course the single books within a print series do have a publisher but my question is about the print series itself."

History

#1 - 03/24/2023 02:34 PM - Belen Escobari

- Related to feature request #10245: #9626 Implement publisher information for bibliographic reference formatting added

#2 - 03/25/2023 07:36 AM - Andreas Müller

- Tags set to formatting
- Subject changed from *Implement second publisher information for bibliographic reference formatting* to *Implement second publisher information for bibliographic reference formatting and other remaining issues*
- Description updated
- Priority changed from *New* to *Highest*

#3 - 03/27/2023 12:20 PM - Belen Escobari

- Status changed from *New* to *Feedback*
- Assignee changed from *Belen Escobari* to *Andreas Müller*

A second place published and a second publisher is now implemented in the references formatting as long as there is a first place published and a first publisher

#4 - 03/27/2023 12:23 PM - Belen Escobari

- % Done changed from *0* to *50*

#5 - 03/27/2023 12:29 PM - Andreas Müller

- Status changed from *Feedback* to *In Progress*
- Assignee changed from *Andreas Müller* to *Belen Escobari*

I will have a look. But please keep ticket assigned to you until all issues of the ticket are solved.

#6 - 03/27/2023 12:43 PM - Andreas Müller

- Related to feature request #10288: *Implement publisher and placePublished2 in TaxEditor added*

#7 - 03/27/2023 12:43 PM - Andreas Müller

- Related to feature request #10286: *Add publisher2 and placePublished2 to Reference added*

#8 - 04/12/2023 12:52 PM - Belen Escobari

Journals werden nicht mit Publisher zitiert, ich kenne auch keine Ausnahmen.

"Print series": das ist schon mal ein Definitionsproblem, also was genau ist damit gemeint? Eine monografische Reihe wie Englera oder Regnum Vegetabile?

Hier wird üblicherweise auch kein Publisher zitiert.

Dann gibt es Buchreihen:

ein Beispiel aus dem letzten Jahrebericht, mit 2 Zitiermöglichkeiten, hier beide angegeben:

Lack H.-W. 2021: Systematische Botanik an der Universität Breslau 1884–1925 – Engler, Prantl & Pax. – Pp. 247–264 in: Keil G. & Kiefer J. (ed.), Die deutsch-polnische Wissenschaftslandschaft Schlesien. – Düren: Shaker Verlag, 2021 (= Engelhardt D. v., Kästner I., Kiefer J. & Reich K. (ed.), Europäische Wissenschaftsbeziehungen 16).

A second place published and a second publisher is now implemented in the references formatting as long as there is a first place published and a first publisher

Some cases for missing data are not yet handled correctly. I added some further test cases (but commented them to not disturb jenkins build on the server). Please uncomment them and try to fix.

fixed the formatting of publisher informations and uncommented the test.

#15 - 04/14/2023 10:34 AM - Andreas Müller

- Status changed from *Resolved* to *Feedback*

- Assignee changed from *Andreas Müller* to *Belen Escobari*

- % Done changed from 50 to 80

One more issue found. See commented test.

#16 - 04/14/2023 12:02 PM - Belen Escobari

- Status changed from *Feedback* to *Resolved*

- Assignee changed from Belen Escobari to Andreas Müller

this should be fixed, please check

#17 - 04/14/2023 02:25 PM - Andreas Müller

- Status changed from Resolved to Closed

- Assignee changed from Andreas Müller to Belen Escobari

- % Done changed from 80 to 100

Now it is correct. I simplified the code still a bit, but as all tests are still running I guess it works as before and we can close the ticket.
