

EDIT - feature request #1742

Adapt the ZooNameDefaultCacheStrategy

05/19/2010 01:44 PM - Katja Luther

Status:	New	Start date:	
Priority:	Priority13	Due date:	
Assignee:	Andreas Müller	% Done:	0%
Category:	cdmlib	Estimated time:	0:00 hour
Target version:	Release 5.44		
Severity:	normal		

Description

For zoological names the cachestrategy should be adapted. For example mostly the markers for infrageneric or infraspecific names are not shown in the name.

Every change also needs to be reflected in the according parser.
