```

History

#1 - 11/29/2012 10:41 AM - Andreas Kohlbecker

- Target version changed from cdm_dataportal - Next Major Release to Alga Terra Migration

this could also affect the algaterra project or is it a pub specific to the palmweb portal theme?

#2 - 12/06/2012 01:21 PM - Andreas Kohlbecker

- Priority changed from Priority08 to Lowest

#3 - 09/10/2014 10:43 AM - Andreas Kohlbecker

- Keywords set to map

#4 - 07/18/2018 10:02 PM - Andreas Kohlbecker

- Description updated

- Private changed from Yes to No

#5 - 05/04/2020 09:29 AM - Andreas Kohlbecker

- Status changed from New to Rejected

- Target version deleted (Alga Terra Migration)

this issue is for sure no longer relevant as we switched to a completely different technology for showing specimen maps and the above linked taxon has no specimen data at all.
