

EDIT - bug #3933

the search result list should contain bastards in alphabetical order

01/07/2014 09:29 AM - Katja Luther

Status:	Duplicate	Start date:	
Priority:	Priority13	Due date:	
Assignee:	Andreas Müller	% Done:	0%
Category:	cdmlib	Estimated time:	0:00 hour
Target version:		Found in Version:	
Severity:	normal		
Description			
mail von Ralf:			
Hat ein Bastard noch kein gültiges Binom, gebe ich die Bastardformel ein. So weit, so gut, aber bei den Search results landen all diese Formelnamen immer noch ganz oben in der Liste. Bei Ophrys muss man sich erst durch einen Wust dieser wichtigen, aber nicht prioritär wichtigen Namen blättern. Die Bastardformeln sollten nach Möglichkeit streng alphabetisch einsortiert werden, so dass bei Ophrys oben auf der Liste "Ophrys" steht.

Is duplicate of EDIT - bug #4796: Sorting of hybrids			New

History

#1 - 01/07/2014 10:42 AM - Katja Luther

the order of search results is based on the atomised data, names with a bastard formula are not atomised therefore the fields are empty and they occur at the beginning of the list.

#2 - 01/07/2014 01:24 PM - Andreas Müller

Replying to [k.luther](#):

the order of search results is based on the atomised data, names with a bastard formula are not atomised therefore the fields are empty and they occur at the beginning of the list.

In case genus, specific epithet, rank and nameCache are all empty we should use the titleCache as final ordering field. Otherwise all unparsed names will not be ordered correctly.

#3 - 07/02/2021 06:27 PM - Andreas Müller

- Tags set to search, hybrid-taxa
- Description updated
- Assignee changed from Katja Luther to Andreas Müller
- Target version changed from cdmlib - Old Next Major Release to Release 5.45
- Private changed from Yes to No

Need to check if this is still the case. If yes, try to implement correctly.

#4 - 07/02/2021 06:29 PM - Andreas Müller

- Related to bug #5832: It is not possible to search for hybrids in taxon search added

#5 - 07/02/2021 06:31 PM - Andreas Müller

- Is duplicate of bug #4796: Sorting of hybrids added

#6 - 07/02/2021 06:33 PM - Andreas Müller

- Status changed from New to Duplicate
- Target version deleted (Release 5.45)

I close this as duplicate for [#4796](#)
