

EDIT - bug #4461

Ordering in datasources view fails

11/13/2014 03:12 PM - Andreas Müller

Status:	Closed	Start date:	
Priority:	New	Due date:	
Assignee:	Andreas Müller	% Done:	100%
Category:	taxeditor	Estimated time:	0:00 hour
Target version:	Release 4.4	Found in Version:	
Severity:	normal		
Description Hi, when I try to order the datasource view by Servers, the result is often incomplete as you can see in the below screenshot. The same is true for most of the other attributes except for Name, Created and CDM Version (havn't tried Notes). Any ideas why? And can it be fixed? AM
