

EDIT - feature request #4644

task # 6992 (New): Refactor and modernize REST web service API

task # 4009 (New): consider using jackson as json library

json lib incorrectly serializes values containing the characters [,], {, }

02/09/2015 01:26 PM - Andreas Kohlbecker

Status:	New	Start date:	
Priority:	Priority14	Due date:	
Assignee:	Andreas Müller	% Done:	0%
Category:	cdmlib-remote	Estimated time:	0:00 hour
Target version:	Release 5.44		
Severity:	normal		
Description			
for example in the cichorieae <u>Hedypnois Mill.</u> has the nomenclaturalMicroReference @[606]@, which is serialized to json as an array:			
<pre>"nomenclaturalMicroReference": [606],</pre>			
https://test.e-taxonomy.eu/cdmserver/cichorieae/name/4da14cc4-fb0b-43a2-a909-82535363f14e.json			
this causes the a php warning to appear in the portal, like:			
<pre>Warning: urlencode() expects parameter 1 to be string, array given in cdm_ws_getNomenclaturalReference() (line 1500 of /var/www/drupal-7.32/sites/_dataportal-production/modules/cdm_dataportal/cdm_api/cdm_api.module).</pre>			
This is a general problem in json-lib, an should be solved in a general way, e.g. by upgrading to a newer version?			
TODO			
<ul style="list-style-type: none">remove cdm-dataportal ecb8526 (svn: r28125) avoiding the red error box as long #4644 is not fixed

- Description updated

#7 - 11/25/2020 03:22 PM - Andreas Kohlbecker

- Description updated

#8 - 11/25/2020 05:08 PM - Andreas Kohlbecker

- Status changed from New to Rejected

- Target version deleted (cdmlib - Old Next Major Release)

this is no longer relevant since we no longer need to get the microreference separately [aa06c1f1a2](#)

The hack mentioned above is removed already.

#9 - 11/27/2020 01:57 PM - Andreas Kohlbecker

- Status changed from Rejected to New

- Priority changed from New to Priority14

- Target version set to Release 5.19

the above mentioned commit had to be reverted, so this issue is open again

#10 - 01/27/2021 03:13 PM - Andreas Kohlbecker

- Target version changed from Release 5.19 to Release 5.21

#11 - 03/10/2021 03:01 PM - Andreas Müller

- Target version changed from Release 5.21 to Release 5.22

#12 - 04/19/2021 04:33 PM - Andreas Kohlbecker

- Target version changed from Release 5.22 to Release 5.46

#13 - 03/23/2022 11:29 AM - Andreas Müller

- Assignee changed from Andreas Kohlbecker to Andreas Müller

- Target version changed from Release 5.46 to Release 5.44
