

EDIT - bug #4919

improve AdvancedBeanInitializer

05/20/2015 11:41 AM - Andreas Kohlbecker

| | | | |
|--|----------------|--------------------------|-------------|
| Status: | New | Start date: | |
| Priority: | New | Due date: | |
| Assignee: | Andreas Müller | % Done: | 0% |
| Category: | cdmlib | Estimated time: | 0:00 hour |
| Target version: | Release 5.44 | Found in Version: | |
| Severity: | normal | | |
| Description | | | |
| The AdvancedBeanInitializer needs improvements: | | | |
| <div>1. autoinitialization of Collection items in case of bean.collection where an Autoinitializer exists for the type of the collection items - DONE : 72b0ad09b r23851</div> <div>2. autoinitialization of associated beans as in case of bean.subBean where an Autoinitializer exists for the type of the subBean items</div> <div>3. calls to PropertyUtils.getProperty() are causing unwanted initalization in some cases, e.g. in @initializeNodeNoWildcard()@:</div> | | | |
| <div>Object propertyValue = PropertyUtils.getProperty(parentBean, propertyName);</div> <div>preparePropertyValueForBulkLoadOrStore(node, parentBean, property, propertyValue);</div> <div>1. each bean passed to the initializeAll() method of the AdvancedBeanInitializer is auto-initialized independently from the initStrategy (see snipped below), this should improved by making use of the hql returned by addAutoinitFetchLoading()</div> <div>//autoinitialize</div> <div>for (Object bean : beanList){</div> <div> autoinitializeBean(bean);</div> <div>}</div> | | | |

History

#1 - 05/20/2015 01:12 PM - Andreas Kohlbecker

improvements by solving 1. autoinitialization of Collection items :

- 72b0ad09b r23851

related bugfixes:

- git: c9b5f6518, 824e1221 ;
- svn: r23855, r23853

#2 - 05/20/2015 04:42 PM - Andreas Kohlbecker

fixing problem with missing autoinitialization of titleCaches: r23866

#3 - 09/17/2021 05:34 PM - Andreas Müller

- Description updated
- Target version changed from cdmlib - Old Next Major Release to Unassigned CDM tickets

#4 - 09/17/2021 05:34 PM - Andreas Müller

- Private changed from Yes to No

#5 - 03/23/2022 11:17 AM - Andreas Müller

- Assignee changed from Andreas Kohlbecker to Andreas Müller
- Target version changed from Unassigned CDM tickets to Release 5.44

Please check what is still open

#6 - 03/23/2022 11:20 AM - Andreas Müller

- Related to task #7054: clean up initialization strategy using '.representations' added
