

EDIT - bug #5581

Specimen title cache does not show up correctly after editing

02/18/2016 02:46 PM - Andreas Müller

Status:	Closed	Start date:	
Priority:	New	Due date:	
Assignee:	Andreas Müller	% Done:	100%
Category:	cdmlib	Estimated time:	0:00 hour
Target version:	Release 3.12 - Hotfixes	Found in Version:	
Severity:	normal		
Description			
Specimen saved with remoting do not use the correct cache strategy. This leads to caches with class and uuid or "not yet implemented".			
The reason is that for specimen and field units no default cache strategy exists. The derived unit facade cache strategy could fill this place but is available only in cdmlib-service not in cdmlib-model.			
As a workaround we may inject facade strategy into cdmlib-model via Class.forName

History

#1 - 02/18/2016 02:48 PM - Andreas Müller

- Status changed from New to Resolved
- Assignee changed from Andreas Müller to n.kilian -

Fixed during last hotfix by r27194 => created #5545

... and r27233, r27234, r27236, r27237, r27240 (#5545)

#2 - 02/18/2016 03:25 PM - Andreas Müller

Not yet fixed for DnaSample ([#5575](#)) and MediaSpecimen ([#5573](#))

#3 - 04/29/2021 05:04 PM - Andreas Müller

- Description updated
- Status changed from Resolved to Closed
- Assignee changed from Norbert Kilian to Andreas Müller
- % Done changed from 0 to 100

For MediaSpecimen and DnaSample a cache strategy exists now. So I close this ticket.

#4 - 04/29/2021 05:04 PM - Andreas Müller

- Private changed from Yes to No

#5 - 03/11/2022 05:53 PM - Andreas Müller
