

EDIT - bug #5773

Exceptions during CDM Server startup are not caught correctly

05/06/2016 05:49 PM - Andreas Müller

Status:	Duplicate	Start date:	
Priority:	New	Due date:	
Assignee:	Andreas Kohlbecker	% Done:	100%
Category:	cdmsserver	Estimated time:	0:00 hour
Target version:		Found in Version:	
Severity:	normal		
Description			
Currently if an error appears during startup of CDM Server (e.g. during term loading) this is not necessarily indicated by the CDM Server management console. The instance shows up as "started" though the services are not available ("Test" results in http 503)
