Target version:	Unassigned CDM tickets		
Severity:	normal		

Description

We should discuss where the sections "Taxon Associations", "Determinations" and "TypeDesignation" should be shown and how they should be ordered.

Currently it is possible to add/remove/edit determination and type designation in the corresponding sections but "Taxon Association" is just showing a non-editable overview of all associations including determinations and type designations.

History

#1 - 08/11/2016 11:38 AM - Patrick Plitzner

- Tracker changed from bug to feature request

#2 - 04/21/2020 12:20 PM - Andreas Müller

- Assignee changed from Patrick Plitzner to Katja Luther
