EDIT - bug #6105

feature request # 3958 (Closed): Handle CDMPreference table

Make CdmPreferences editable in separate view

09/21/2016 11:30 AM - Andreas Müller

Description

We started editing CdmPreferences in #5969. This is experimental as the UI mixes local preferences with CdmPreferences which is unwanted.

The idea is to implement a separate UI to edit CdmPreferences which is available through a new menu Admin-Database Preferences. For now it might look similar to the current TaxEditor Preferences UI.

Subtasks:

feature request # 5971: Implement database wide CdmPreference writing	**Closed**
bug # 6214: Add project specific preferences to CdmPreference menu	**Closed**
