

EDIT - bug #6201

feature request # 5974 (Closed): Remove synonym relationships

Adapt dataportal to the new synonym datamodel

11/15/2016 02:50 PM - Andreas Müller

Status: Closed	Start date:
Priority: Highest	Due date:
Assignee: Andreas Kohlbecker	% Done: 100%
Category: cdm-dataportal	Estimated time: 0:00 hour
Target version: Release 4.4	Found in Version:
Severity: blocker	
Description	
Synonym relationships have been removed. Synonyms do now directly link to accepted taxa. This needs to be adapted in the dataportal.	
Also on the search page we can remove the possibility that a synonym is related to >1 taxa (for misapplication this may still be needed(?)).

- Status changed from New to Resolved

- Assignee changed from Andreas Kohlbecker to Andreas Müller

ready for review if needed. Otherwise the synonymy is quite good covered by tests and can be considered to be ok since the test are all successful.

#3 - 11/25/2016 03:25 PM - Andreas Müller

- Status changed from Resolved to Closed

- Assignee changed from Andreas Müller to Andreas Kohlbecker

I guess it is all ok.
