

EDIT - bug #6230

harmonize specimen page implementation and harmonize with drupal coding conventions

12/01/2016 01:07 PM - Andreas Kohlbecker

Status:	New	Start date:	
Priority:	Priority13	Due date:	
Assignee:	Andreas Kohlbecker	% Done:	0%
Category:	cdm-dataportal	Estimated time:	0:00 hour
Target version:	Unassigned CDM tickets	Found in Version:	
Severity:	major		
Description			
<p>1. The specimen page implementation is not using the cdm node api, please harmonize. You can use the named_area page as a reference. (see cdm-dataportal 30845bda)</p> <p>2. Please also avoid camel case in variable names this is not conforming to the drupal coding conventions.</p>			

History

#1 - 01/05/2017 01:29 PM - Andreas Müller

- Category set to cdm-dataportal

#2 - 04/21/2020 12:30 PM - Andreas Müller
