

EDIT - feature request #6254

multi-tenancy for cdmlib

12/07/2016 11:54 AM - Andreas Kohlbecker

Status:	New	Start date:	
Priority:	New	Due date:	
Assignee:	Andreas Müller	% Done:	0%
Category:	cdmlib	Estimated time:	0:00 hour
Target version:	Unassigned CDM tickets		
Severity:	major		

Description

cdm-server consume a significant amount of RAM. This can be critical on servers where multiple cdm-remote instances are running. Using multi-tenancy will help remove this limitation.

There is multi-tenancy support in hibernate.
