

EDIT - bug #6272

Searching in user group bulk editor throws "unexpected error" if rights are not provided

12/12/2016 01:54 PM - Andreas Müller

Status:	New	Start date:	
Priority:	New	Due date:	
Assignee:	Katja Luther	% Done:	0%
Category:	taxeditor	Estimated time:	0:00 hour
Target version:	Unassigned CDM tickets	Found in Version:	
Severity:	normal		
Description			
Instead we should have a dialog saying that the user has no right to do the search.			
I also wonder why the security denies access here, as it should be a read only access and currently we do not restrict reading (I thought).
