EDIT - bug #6293

Advanced search does not allow standard author abbreviations according to Brummitt and Powell, and IPNI

12/20/2016 06:39 PM - Wolf-Henning Kusber

Description

PhycoBank:
Use case: All records of the author Kützing, databased as Kütz.

Kütz gives all data back, *Kütz.* gives no result.

Same in Cichorieae portal

Boiss gives all data back, *Boiss.* gives no result.

This seem to be a general problems in the search functionality.
