

EDIT - feature request #6335

Providing the admin email for each server installation

01/17/2017 01:00 PM - Katja Luther

Status:	New	Start date:	
Priority:	New	Due date:	
Assignee:	Andreas Kohlbecker	% Done:	0%
Category:	cdmserver	Estimated time:	0:00 hour
Target version:	Unassigned CDM tickets		
Severity:	normal		
Description			
For some issues the edit support is not responsible for the error messages but the server admin of an instance. Therefore we need to have the email address of the server admin somewhere.

- Subject changed from Providing the admin email for each server instance somehow to Providing the admin email for each server installation

I am changing the subject to avoid confusion of server installation with cdm instance
