Can this be closed or should it be reviewed. Is it the correct milestone (went into hotfix?).

#2 - 01/27/2017 12:18 PM - Andreas Kohlbecker

This went to the hotfix, and should be reviewed. If possible this should be done by Bill since I am not sure if all Uses data is shown as expected. And VERY IMPORTANT we need slenium tests for the USES data in palmweb. I will create a follow-up ticket.
