EDIT - bug #6448

Update of field unit in details view of derived unit does not update field unit record

03/01/2017 02:53 PM - Andreas Müller

Status:	New	**Start date:**	
Priority:	New	**Due date:**	
Assignee:	Katja Luther	**% Done:**	0%
Category:	taxeditor	**Estimated time:**	0:00 hour
Target version:	Unassigned CDM tickets		
Severity:	normal	**Found in Version:**	Release 4.6

Description

If e.g. locality is changed in derived unit details view in the specimen bulk editor the according field unit record in the bulk editor is not refreshing. Same is true for sibbling derived units. However, if opening the field unit or the sibblings in details view it shows the updated data (even if not saved yet).
