

EDIT - feature request #6602

Add recreation of treeindex to the tree repair mechanism

04/27/2017 02:44 PM - Andreas Müller

Status:	New	Start date:	
Priority:	Highest	Due date:	
Assignee:	Andreas Müller	% Done:	0%
Category:	cdmlib	Estimated time:	0:00 hour
Target version:	Unassigned CDM tickets		
Severity:	normal		
Description			
<p>I just had the problem that an exception was thrown during creation of a new taxon node. After reopening the Editor the new node was shown anyway but had no treeindex in the database. This should not happen but if it happens we should at least have a repair mechanism.</p>
