

Edit - bug #6951

Drag and drop does not update term hierarchy in the UI

09/15/2017 02:47 PM - Patrick Plitzner

Status:	Closed	Start date:	09/15/2017
Priority:	New	Due date:	
Assignee:	Patrick Plitzner	% Done:	100%
Category:	taxeditor	Estimated time:	0.00 hour
Target version:	Release 5.5	Found in Version:	
Severity:	normal		
Description			
In the data base everything works fine and if you reconnect and re-open the term editor the changes are reflected.			
Steps to reproduce:			
With the given term hierarchy			
Voc			
-A			
-A1			
-A2			
-B			
Scenario 1:			
Drag A2 to A1. A2 will be shown twice.			
Scenario 2:			
Drag A1/A2 to B. A1/A2 will be shown twice			
Scenario 3 (working)			
Drag B to A or A1/A2			
It seems like it does not work if the old parent is a term and not a vocabulary
