EDIT - bug #7057

Incorrect D&D symbol in specimen tree editor

11/06/2017 04:48 PM - Andreas Müller

Status:	New	**Start date:**	
Priority:	New	**Due date:**

Target version:	Unassigned CDM tickets		
Severity:	normal	**Found in Version:**	

Description

When dragging and dropping a classification or a taxon node from navigator (maybe also other objects from other views) the specimen editor shows a symbol that seems to allow D&D this position, but it should show that D&D is not allowed.
D&D to the specimen editor does not seem to have an effect so this is not really critical.
