

EDIT - feature request #7065

When updating a subtree the affected and opened taxa are not updated in name editor this needs to be handled

11/07/2017 12:18 PM - Katja Luther

Status:	Closed	Start date:	
Priority:	Priority14	Due date:	
Assignee:	Katja Luther	% Done:	0%
Category:	taxeditor	Estimated time:	0:00 hour
Target version:	Release 5.0		
Severity:	normal		
Description Is it possible to try to update existing values for open taxa (in name editor or elsewhere). This might be a general issue, however, somehow it is irritating, to run the operation and see the value not changing in the currently opened taxon. Or alternatively we could require to close all affected taxa, but this requires that we know which taxa are potentially affected, maybe we need a separate service method for this.

- Assignee changed from Katja Luther to Andreas Müller

#6 - 01/30/2018 11:53 AM - Andreas Müller

- Status changed from Resolved to Feedback
- Assignee changed from Andreas Müller to Katja Luther

If there is an accepted taxon and a synonym, the accepted taxon shows the correct value (tested for "publish"). Switching to the synonym the synonym shows the old value, switching back to accepted, the accepted shows again the old value.

#7 - 02/16/2018 12:30 PM - Katja Luther

- Target version changed from Release 4.13 to Release 5.0

#8 - 03/01/2018 11:44 AM - Katja Luther

- Status changed from Feedback to Resolved
- Assignee changed from Katja Luther to Andreas Müller

instead of updating the editorInput of the name editor, the name editors are closed and reopened, this seems to work.
please review.

#9 - 04/27/2018 01:06 PM - Andreas Müller

- Status changed from Resolved to Feedback

please review.

Open name editors are not checked for existing changes. When they are closed changes get lost. This is unwanted. Ask for saving before operation starts.

#10 - 04/27/2018 01:07 PM - Andreas Müller

Only name editors are updated but not e.g. bulk editors. I tried with set publish flag.

#11 - 05/17/2018 03:57 PM - Katja Luther

- Target version changed from Release 5.0 to Release 5.1

remaining issue needs to be handled in next release

#12 - 05/17/2018 09:15 PM - Andreas Müller

- Copied to feature request #7428: Open issues for updating open data while subtree is updated added
