Description

The TeamOrPersonField needs to be extended by select filed which allows choosing from existing Persons or Team:

Cocquyt & R.Jahn

OK

This field is only visible as long as not entity is set for the according property.

Once the user has chosen a Team or person and confirmed the selection by clicking ok:

1. The SelectField and OK button become invisible
2. The delete button becomes visible
3. The new Team and new Person buttons become inactive
4. The property is set to the chosen Entity

After clicking on the new Person or Team button in
