This works now and ticket can be closed.

However, there are 2 minor issues related that maybe can be fixed also.

1. There should be a delimiter line before "Erneuere Knoten" in the menu.
2. We should relabel the menu entry to "Refresh"/"Aktualisieren" as these are the standard labels for refreshing functionality.

#3 - 05/03/2018 12:07 PM - Katja Luther

- Status changed from Feedback to Closed

delimiter and label adapted.
