

EDIT - bug #7359

cdm popuop editors in readonly mode if the user is not permitted to edit

04/20/2018 07:22 PM - Andreas Kohlbecker

Status:	Closed	Start date:	
Priority:	New	Due date:	
Assignee:	Andreas Kohlbecker	% Done:	100%
Category:	cdm-vaadin	Estimated time:	0:00 hour
Target version:	Release 5.0	Found in Version:	
Severity:	normal		
Description			
<p>1. The AbstractCdmEditorPresenter should evaluate the permissions of the current user after loading the entity bean to check if the user is permitted to edit the loaded entity. In case the user lacks sufficient permissions the editor must be locked by setting it into read only mode.</p> <p>2. A readonly state which has been set previously to the editor must not be reverted by this process</p>
