

EDIT - bug #7478

Fix pro parte synonym search

06/15/2018 01:16 PM - Andreas Müller

Status:	Resolved	Start date:	
Priority:	Highest	Due date:

Target version:	Release 5.1	Found in Version:	
Severity:	normal		
Description			
Since pro parte synonyms are now pure taxon relationships (like misapplied names) the synonym search needs to be adapted to include pro parte and partial synonyms.			
This needs to be done in both standard search and lucene search.			
Probably we only need to adapt search such that the search of relationships types searched for is adapted depending on "doMisapplied" and "doSynonyms".
