- Assignee changed from Andreas Kohlbecker to Wolf-Henning Kusber

Implemented, please test. There are two ways to perform a search:

1. go to the registration search directly http://test.e-taxonomy.eu/dataportal/preview/phycoBank/cdm_dataportal/search/registration
2. use the block in the left sidebar from any other page

Questions:

1. Is the title "Search registrations" good? Or should we just name the page "Registrations" ?
