

Edit - feature request #7496

TaxonNodes in cdm_taxontree can either link to taxon or reference search result pages

06/19/2018 11:59 AM - Andreas Kohlbecker

Status:	Closed	Start date:	06/19/2018
Priority:	Highest	Due date:	
Assignee:	Andreas Kohlbecker	% Done:	100%
Category:	cdm-dataportal	Estimated time:	0.00 hour
Target version:	Release 5.2		
Severity:	normal		
Description			
Currently clicking on a taxon name in the classification tree as rendered by the cdm_taxontree leads to the according taxon page. For phycobank the taxon node links need to trigger a search operation to filter all registrations by the taxon name. That is a click leads to the registration search result page. The different behavior needs to be configurable. in the cdm_taxontree module settings
