- Assignee changed from Andreas Kohlbecker to Wolf-Henning Kusber

ready for review

#12 - 07/03/2019 09:44 AM - Wolf-Henning Kusber

Field "Publication" available,

search functionality not given.

"Baikal" gives back Baikal-Taxa + African etc. taxa

"smulkowskianus" (not in title) gives back many hits

"Navicula" gives back many titles without "Navicula" in title

"Navicula" same result

#13 - 07/03/2019 12:57 PM - Andreas Kohlbecker

- Assignee changed from Wolf-Henning Kusber to Andreas Kohlbecker

The test server was not up to date. The problem which was causing this is fixed now. Please test again.

#14 - 07/03/2019 04:47 PM - Wolf-Henning Kusber

see above. The filter is not working.

With the given search strings all published registrations from new to old are given back.

#15 - 07/04/2019 09:33 AM - Wolf-Henning Kusber

- % Done changed from 50 to 100

Perfectly solved! This enhances the usability of PhycoBank significantly.

Search functionality is available for

strings within a title "Indian", "India", "Germany"

parts of journals or books like "Phytotaxa", "Willdenowia",

authors like "Jahn", "Abarca", "Zimmermann", "van de Vijver" etc.
