

EDIT - bug #7744

The Concept View does not have Label

09/09/2018 05:59 PM - Andreas Müller

Status:	New	Start date:	
Priority:	New	Due date:	
Assignee:	Katja Luther	% Done:	0%
Category:	taxeditor	Estimated time:	0:00 hour
Target version:	Unassigned CDM tickets	Found in Version:	
Severity:	normal		
Description			
Other views do have a label which makes it easier to recognize for which object the respective data are shown (e.g. Supplemental data view or referencing objects view)
