History

#1 - 04/21/2020 12:22 PM - Andreas Müller

- Assignee changed from Patrick Plitzner to Katja Luther

#2 - 07/27/2021 04:47 PM - Andreas Kohlbecker

- Description updated

#3 - 07/27/2021 04:50 PM - Andreas Kohlbecker

- Related to bug #9723: Specimen tree editor: Function of "Link with taxon selection" in context menu unclear added

#4 - 09/01/2021 01:57 PM - Andreas Müller

- Status changed from New to Rejected

- Target version deleted (Unassigned CDM tickets)

This will not be implemented for the reasons mentioned in [#9732](#) (last issue). Instead we do have taxon navigator "open in" method now.
