

Edit - feature request #7750

Allow multi selection for taxon assignment filter in specimen tree editor

09/11/2018 03:21 PM - Patrick Plitzner

Status:	New	Start date:	09/11/2018
Priority:	New	Due date:	
Assignee:	Patrick Plitzner	% Done:	0%
Category:	taxeditor	Estimated time:	0.00 hour
Target version:	Unassigned CDM tickets		
Severity:	normal		

Description

The following options should be available:

- Individuals Associations
- Type Designation
- Determination

The label should then be changed to "assigned to taxon as "

This also needs a split of the search service method in cdmlib which currently still combines all three association types
