- Assignee changed from Andreas Müller to Katja Luther

Please review, e.g. by creating a new database with the new code and compare if all table names and indexes work similar to before. However, I do not really expect problems.

#3 - 09/17/2018 02:22 PM - Katja Luther

- Status changed from Resolved to Closed
- Assignee changed from Katja Luther to Andreas Müller
- % Done changed from 50 to 100

The creation of a new database works as expected, the creation of the index works without exception and the search worked as well.
