

EDIT - bug #7823

User Persons are not deduplicated

10/14/2018 02:55 PM - Andreas Müller

Status:	Closed	Start date:	
Priority:	Priority12	Due date:	
Assignee:	Andreas Müller	% Done:	100%
Category:	cdmadapter	Estimated time:	0:00 hour
Target version:	Euro+Med Migration	Found in Version:	
Severity:	normal		
Description			
Persons related to users are often the same as they are only for different sec's.			
We may want to deduplicate them.			
===			
Also we could deduplicate the users themselves as the rights management is differnt in CDM.

ref #7823 add createdUpdated info to occurrences for E+M import

History

#1 - 10/14/2018 02:56 PM - Andreas Müller

- Status changed from New to In Progress
- Target version changed from Unassigned CDM tickets to Euro+Med Migration

#2 - 11/22/2018 10:51 AM - Andreas Müller

- Tags changed from euromed to euro+med

#3 - 05/16/2019 10:11 AM - Andreas Müller

- Status changed from In Progress to Resolved

fixed

#4 - 09/17/2021 03:21 PM - Andreas Müller

- Status changed from Resolved to Closed
- % Done changed from 70 to 100

This is fixed. No duplicate or unnecessary users were imported from BM. Though there are a couple of users representing machine algorithms.
