

EDIT - bug #7830

VALIDATE_AGAINST_HIGHER_NAME_PART specific epithet is not being reset to testfield on rank changes

10/17/2018 12:55 PM - Andreas Kohlbecker

Status:	Closed	Start date:	
Priority:	New	Due date:	
Assignee:	Andreas Kohlbecker	% Done:	100%
Category:	cdm-vaadin	Estimated time:	0:00 hour
Target version:	Release 5.4	Found in Version:	
Severity:	major		
Description			
For ranks below species when mode VALIDATE_AGAINST_HIGHER_NAME_PART is enabled the "specific epithet" field restricted to existing species epithet names in the according genus. Changing the rank to Species does not reset the "specific epithet" to a plain test field.			
the VALIDATE_AGAINST_HIGHER_NAME_PART was originally implemented in #7338
