EDIT - bug #7908

Redmine communication hub slows down RegistrationWorkingSets

11/14/2018 02:57 PM - Andreas Kohlbecker

Status:	Closed	**Start date:**	
Priority:	New	**Due date:**	
Assignee:	Andreas Kohlbecker	**% Done:**	100%
Category:	cdm-vaadin	**Estimated time:**	0:00 hour
Target version:	Release 5.5		
Severity:	normal	**Found in Version:**	

Description

As stated in [#7785](#) the checking for messaged in the Redmine instance serving as communication hub slows down the display of registration working sets a lot (43%)

Solutions:

1. disable the message check for now since this feature is not used anyway.
2. decide for another solution to establish the communication between submitter and curator
