

EDIT - bug #7939

TaxonNodeDTO need sortIndex of Rank

12/06/2018 10:53 AM - Katja Luther

Status:	Closed	Start date:	
Priority:	Highest	Due date:	
Assignee:	Katja Luther	% Done:	100%
Category:	cdmlib	Estimated time:	0:00 hour
Target version:	Release 5.5	Found in Version:	
Severity:	normal		
Description			
To avoid a DB call for comparing the ranks of two TaxonNodeDTOs the sortIndex of the rank needs to be part of the DTO. And the comparators need to be adapted to use the sortIndex instead of rank.isHigher()

History

#1 - 12/06/2018 10:55 AM - Katja Luther

- Description updated

#2 - 01/07/2019 02:29 PM - Katja Luther

- Status changed from New to Resolved

- Assignee changed from Katja Luther to Andreas Müller

please review

#3 - 01/25/2019 02:47 PM - Andreas Müller

- Status changed from Resolved to Feedback

- Assignee changed from Andreas Müller to Katja Luther

- % Done changed from 0 to 80

Difficult to review. If you have checked that the additional server calls do not take place anymore and additionally, the sorting still works, I think we can close the ticket.
