EDIT - feature request #8017

TypeDesignations need sources additional to lectotypifcation sources

01/24/2019 03:40 PM - Andreas Müller

Status:	Closed		**Start date:**	
Priority:	Highest		**Due date:**	
Assignee:	Andreas Müller		**% Done:**	100%
Category:	cdm		**Estimated time:**	0:00 hour
Target version:	CDM UML 5.5			
Severity:	normal			

Description
This is especially important for TextualTypeDesignations ([#7470](#)) as they are usually a citation from somewhere.
The lectotypification source only defines where a (lecto) type was defined, not where someone took the typification information from.
