

EDIT - feature request #8145

Implement TimePeriod DTO with localized formatting

02/26/2019 03:09 PM - Andreas Müller

Status:	New	Start date:	
Priority:	New	Due date:	
Assignee:	Andreas Müller	% Done:	0%
Category:	cdmlib-remote	Estimated time:	0:00 hour
Target version:	Unassigned CDM tickets		
Severity:	normal		
Description for details see #3616#note-10 ff. Once implemented we also need to adapt dataportal code to use the new timeperiod wherever timeperiod is used (e.g. DescriptionElements timeperiod scope, Media created, ...) Also in general TimePeriod formatting needs to be improved.
