WGB: Ich denke, es ist produktiver, die Leute, die direkt im Kontakt mit Nutzern stehen zu bitten, nach Workshops, Kursen und Einführungen bzw. in der laufenden Arbeit von den User-Erfahrungen zu berichten. Eine grobe Liste der ggf. zu berücksichtigenden Punkte wäre hier nützlich; einen Fragebogen halte ich jedenfalls derzeit noch nicht für sinnvoll.

So while cleaning up the documentation during the next weeks we should create a site with such relevant questions.

I created a new wiki page for this list: https://dev.e-taxonomy.eu/redmine/projects/edit/wiki/Platform_Questionaire.

Everybody can please add questions/topics there.
