

## EDIT - bug #8646

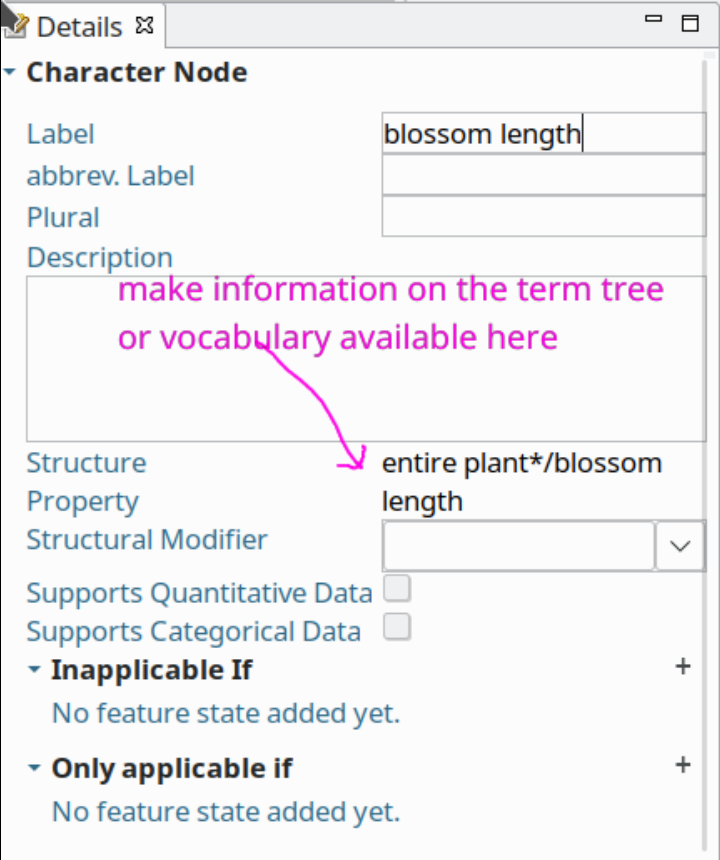

### Character Details View should provide more information on the structure and property terms

11/02/2019 05:37 PM - Andreas Kohlbecker

<b>Target version:</b> Unassigned CDM tickets	<b>Found in Version:</b>
<b>Severity:</b> normal	

**Description**

It should be possible to get more information on the structure and property terms which make up the Character

Show Vocabulary and TermTree.

## History

#1 - 11/02/2019 05:44 PM - Andreas Kohlbecker

This could be done

- by extending the label by this information or
- by showing an infobox when hovering over one of the term labels
- by offering an info button (i)
- by adding an add and edit button which would allow to modify the TermNodes

option d. would anyway be a good thing to implement, since this avoids that the user has to go to the term editor, which is quite far here.
