EDIT - feature request #8725

Add abbreviation to namedArea text field in distribution details view

11/27/2019 02:34 PM - Katja Luther

Status:	Feedback		**Start date:**	
Priority:	Priority14		**Due date:**	
Assignee:	Katja Luther		**% Done:**	50%
Category:	taxeditor		**Estimated time:**	0:00 hour
Target version:	Release 5.14			
Severity:	blocker			

Description	
Some named areas have the same label therefore it would be nice to show an abbreviation like idInVoc. This should be configurable.

The preference should be moved from Factual Data to UI->Distribution Details View

#7 - 04/08/2020 11:23 AM - Andreas Müller

The label should be changed to Show id in vocabulary in **area** textfield.

"Areal" in German.

Now it is at Factual Data -> Distribution Data -> Details View, but the better place is UI -> Distribution Details View (new) as this is purely UI related and not related to data (what data is available) as all other preferences in "Factual Data".

#11 - 04/08/2020 02:18 PM - Andreas Müller

Revision 20fd2b76 says "move also admin preference" but I can't find this preference in the admin preferences.

#12 - 04/08/2020 06:03 PM - Andreas Müller

- Subject changed from Add abbrev to namedArea text field to Add abbreviation to namedArea text field in distribution details view

Maybe it is even better to create a new submenü "Details View" under UI and move the new preference for Distribution (Details View) there and also move other Details View preferences there like Name (Details View). These both should then be submenus of the (sub)menu "Details View".
