EDIT - bug #8735

## Character Node Editor: allow line breaks at slashes in structure representation

11/29/2019 03:35 PM - Andreas Kohlbecker

Status:	Duplicate		**Start date:**	
Priority:	New		**Due date:**	
Assignee:	Katja Luther		**% Done:**	0%
Category:	taxeditor		**Estimated time:**	0:00 hour
Target version:				
Severity:	normal		**Found in Version:**	

Description

The line wrapping does not work for long structure representation. Breaks only happen where the term labels contain whitespace:

Wither configure the line wrapping so that breaks are inserted at the slashes or add characters next to the slashed so that the line breaks are possible at that position.
