The order in the menus is not always the same. I guess move without name setting should be first, move with name setting second. This is not the case for moving single facts in facts view.

Moving with name in taxon navigator does not work. Name is not set afterwards.

**#6 - 03/05/2020 02:03 PM - Andreas Müller**

English translation "Set name in source automatically" differs from German translation.

Also source should sources (same in German) as multiple sources might be involved.
